

A diagram of a sample card layout. It features a central white rectangular area with a black border. This area is surrounded by a red dashed border representing the bleed. Inside the white area, there is a green dashed border representing the text safe margin. Three overlapping circles are shown: a blue one at the bottom left, a pink one in the center, and a yellow one at the top right. Four registration marks (crosshairs) are placed at the corners of the white area. Text labels with arrows point to the green dashed line, the black border, and the red dashed border.

**Text Safe Margin**

3mm from finish edge, means no text cross this line

**Finish Size**

Final size after cutting, the size you want

**Size Include Bleed**

Extra **3mm** to be cut off

# Sample Card

- Finish Size 90mm x 55 mm
- Size include bleed  
96mm x 61mm
